MANDATORY CONTENT	X	

SUBJECT: IATF CARA Project - Launch of the testing phase

The purpose of this CB Communiqué is to advise all IATF-recognized Certification Bodies of the links to the IATF CARA application.

The application can be accessed via the following link:

https://dev-cara.iatfglobaloversight.org/

The designated representative from each certification body will receive the user name and password by the relevant Oversight office.

The testing period is from 19th of August 2019 to 30th of September 2019.

The purpose is to provide feedback on the functionality, terminology used and the accuracy of the translations.

All feedback shall be submitted directly to the service desk of the software provider:

https://infosysc.atlassian.net/servicedesk/customer/portals

Note: Only previously registered CB representatives will have access to the service desk.

Any feedback received after the 30th of September cannot be considered and will not be implemented.
