

VDA 6.7 - Auditor certificates

New regulation of the validity

Berlin, July 2023

VDA 6.7 - Auditor certificates issued by VDA QMC or its license partners have so far been valid for three years. From now on, the validity is extended to five years, an application is not required.

With the help of this letter, all VDA 6.7 certificates issued since 2019 are automatically valid for 24 months longer than stated.

We will inform about the necessary steps for the later extension of the certificates in due time.
