

VDA 6.7 - Auditor certificates

New regulation of the validity

Berlin, August 2024

VDA 6.7 - Auditor certificates issued by VDA QMC or its license partners since 2019 are valid for three years or now five years. From now on, the validity is extended until the next update of the volume.

With the help of this letter, all VDA 6.7 certificates automatically remain valid.

We will inform you in good time about the necessary steps for the subsequent renewal of the certificates.
