

Certification and Examination fees

for Automotive SPICE® Assessors

valid from January 1st, 2025

Certifications and examinations are performed by the VDA QMC Automotive SPICE certification office

office@automotivespice.com

based on the certification scheme defined by intacs e.V. (www.intacs.info).

1. Certification

1.1. Single applications

A certification fee for issuing an assessor license is charged

- a) for each first application for a defined intacs assessor grade **or**
- b) for each renewal of the license.

- **Assessor certification fee** **450 €**

The certification fee includes any additional Automotive SPICE extension, such as Cyber Security, if the corresponding prerequisites are met at the time of application.

1.2. Certificate and license upgrade

A fee for upgrading an existing and valid license is charged for

- **License upgrade fee** **150 €**

The upgrade applies to any additional Automotive SPICE extension, such as Cyber Security which is requested within the validity period of an existing assessor license. The upgrade includes the issuing of a new certificate of competence and an updated assessor license card.

Note: A license upgrade does not change the validity period of the corresponding assessor license.

1.3. Corporate applications

A fee is charged to the corporate partner for all certifications within one year:

- a) for each first application for a defined intacs assessor grade **or**
- b) for each renewal of the license

- **1 to 10 Certifications / year:** **450,00 € / Certificate**
- **11 to 20 Certifications / year (15% discount):** **382,50 € / Certificate**
- **More than 20 Certifications / year (30% discount):** **315,00 € / Certificate**

Note: A separate contract is required for certifications under the terms of corporate applications. The availability of a corporate contract is restricted to organizations with a sufficient number of employees requesting certification.

2. Examination

A fee is charged for any examination within the intacs certification scheme:

- **Examination fee** : **450 €**

2.1. Examinations performed in context of assessor trainings

The fees are charged to the corresponding training provider for each examinee attending the examination. The training partner shall provide the current examination registration sheet to the VDA QMC Automotive SPICE certification office.

2.2. Single examinations

For single examinations (e.g. for repetition), the examination fee is charged directly to the corresponding applicant.
